About Me

I am a highly motivated and dedicated Software Engineering student pursuing my HND. I have a strong passion for technology and a keen interest in software development, I am eager to apply my skills and expand my knowledge through a challenging internship opportunity. I have some experience in various programming languages and problem-solving, has equipped me with a solid foundation in software development principles. I am excited to gain valuable real-world experience in the software engineering field.

Professional Skill

- Java Programming
- Web Development
- Java Spring Boot
- Flutter App Development
- Firebase
- React Programming

Language Skills

- Tamil
- English
- Sinhala

Education

HND in Software Engineering | NIBM, Colombo (Bsc(Hons) Computing - 2nd Year) *2022-2023*

Diploma in Computer System and Design | NIBM, Colombo *2021-2022*

A/L - Physical Science Stream (IT) | Zahira College, Colombo *Results - CSS | 2018-2020*

Projects

1. FreshPick Buyer App Mobile Application (Flutter) | 2023 - August

- This is a mobile which functions as the buyer's platform on FreshPick. FreshPick is a supply chain platform which connects farmers directly with retailers.
- **Technologies:** Flutter, Firebase

🐙 Github private repo

2. Institute Management System Web Application (Java, React) | 2023 - April

- This is a platform which provides a whole system to manage a enterprise level Institute. The system is made up of four MicroServices which makes the platform more efficient and scalable.
- **Technologies:** java, Spring Boot, React
